Denominator Digital

Websites & Google Business Profile setup for local businesses · Pune, India

WHO WE ARE

Denominator is a small web studio helping clinics and local businesses get found on Google and turn searches into enquiries. We build fast, mobile-friendly websites and set up Google Business Profiles. We work **fully remotely**: everything happens over phone, WhatsApp or video call, with businesses in Pune and across India.

SERVICES

- Business websites (mobile-first, fast)
- Google Business Profile setup & optimisation
- Enquiry / appointment forms with WhatsApp booking
- Google Maps, click-to-call & basic SEO

INDUSTRIES

- **Clinics:** dental, dermatology, physiotherapy, general / family clinics
- **Local businesses:** more industries being added; ask us about yours

HOW IT WORKS

1. **Free call.** 15 minutes by phone, WhatsApp or video about your business and needs.
2. **We build.** Design and Google profile setup, usually within 7–10 days. You review and request changes.
3. **Go live.** Your site goes live and your Google listing is optimised.
